(g) subject to the Bylaws and Section 13.1-899 of the Virginia Code, the right of the Association's Board of Directors to dedicate or transfer all or any part of the Common Areas or the Limited Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be desired by the Association's Board of Directors;

(h) all of the other easements, covenants and restrictions provided for in this Declaration and any Supplemental Declaration(s) applicable to the Common Areas and the Limited Common Areas;

Section 4.3. Reserved.

Section 4.4. Limited Common Areas. The Developer shall have the power, at such time or times as it shall determine on or before December 31, 2029, to restrict portions of the Common Area for the primary use of the Owners of one or more specific Lots and such non-Owners, if any, who have been authorized to use such areas pursuant to Section 4.6 hereof, by designating such portions of Common Area as "Limited Common Area."

Developer may either: (i) indicate the locations of the Limited Common Area appertaining to one or more Lots by depicting such Limited Common Area and the Lots to which it is appurtenant on a plat attached to or recorded with a Supplemental Declaration; (ii) label a portion of the Common Area as "Common Area that may be assigned as Limited Common Area" on a plat attached as an exhibit to the applicable Supplemental Declaration and thereafter assign such Limited Common Area to one or more specific Lots by unilaterally amending the Supplemental Declaration to indicate the assignment depicting the Limited Common Area being assigned and the Lots to which it is appurtenant; or (iii) indicating that such Common Area is Limited Common Area by a description in the applicable Supplemental Declaration.

Subject to the provisions of this Declaration, any applicable Supplemental Declaration and the Articles and Bylaws, and such Rules and Regulations as may be adopted from time to time by the Association's Board of Directors, the Owners of Lot(s) to which Limited Common Area has been assigned and such non-Owners if any, who have been authorized to use such Limited Common Area pursuant to Section 4.6 hereof, shall have the exclusive right of enjoyment in and to the Limited Common Area assigned which right of enjoyment shall be appurtenant to and shall pass with the title to every Lot to which such Limited Common Area is appurtenant. The Limited Common Areas shall be used by Owners of Lots to which such Limited Common Areas may have been assigned and such non-Owners, if any, who have been authorized to use such Limited Common Areas pursuant to Section 4.6 hereof, only for the purpose or purposes for which the Limited Common Areas may have been improved by the Developer, the Parcel Developer or the Association and subject to any applicable restrictions in the Zoning Ordinance. Any Limited Common Area which has not been improved for a particular use is intended to remain in its natural condition until so improved, and any use thereof by an Owner of a Lot to which such Limited Common Area is appurtenant shall not damage or disturb such natural condition or the enjoyment thereof by other Owners of Lots to which such Limited Common Area is appurtenant. Without limiting the generality of the foregoing, the Developer reserves, for itself for so long as the Class B membership exists, and for the Association upon the expiration or earlier termination of the Class B membership, the right to grant to any Person or Persons a license and/or similar right to make exclusive use of portions of the Limited Common Areas; provided that any such grant is evidenced (i) in a writing executed by Developer and recorded in the Clerk's Office if granted by

(i) the Developer's designation of certain Common Areas as "Limited Common Areas" for the exclusive use and benefit of the Owners of one or more specified Lots (and such non-Owners, if any, who have been authorized to use such areas pursuant to Section 4.6 hereof); and

(j) rights of others, if any, in and to any existing cemeteries located within the Common Areas and the Limited Common Areas.

(k) the right of the Association's Board of Directors to permit use of any facilities situated on Common Area by Persons other than Owners, their families, lessees and guests upon payment of use fees or other consideration established by the Board of Directors.

Section 4.6. Delegation of Use. Any Owner may delegate his right of enjoyment to the Common Area or the Limited Common Area to members of his family living on his Lot and to his guests, and he may transfer such right to his tenants, subject to such rules and regulations and fees as may be established from time to time by the Association's Board of Directors.

Section 4.7. Damage to or Destruction of Common Area or Limited Common Area by Owner. In the event any Common Area, Limited Common Area, or improvement or other property thereon is damaged or destroyed by an Owner, his tenants, guests, licensees, agents or members of his family, the Association may repair such damage at the Owner's expense. The Association shall repair such damage in a good and workmanlike manner in conformance with the original plans and specifications of the area or improvement involved, or as the Common Area, Limited Common Area or improvement or other property may have been theretofore modified or altered by the Association, in the discretion of the Association's Board of Directors. The cost of such repairs, including the administrative time and costs of the Association, shall become a special assessment on the Lot of such Owner and shall constitute a lien on such Owner's Lot and be collectible in the same manner as other assessments set forth herein.

Section 4.8. Rights in Common Areas and Limited Common Areas Reserved by Developer. Until such time as Developer, or a Parcel Developer, conveys a parcel of real estate constituting Common Area or Limited Common Area or to the Association, Developer or a Parcel Developer shall have the right as to that parcel, but not the obligation, (i) subject to the provisions of Article VI hereof, to construct such improvements thereon as it deems appropriate for the common use and enjoyment of Owners, including, without limitation, directional signs, and recreational facilities, and (ii) to use the Common Area or Limited Common Area for other purposes not inconsistent with the provisions of this Declaration (including, without limitation, for a marketing sales office, construction control center or hospitality center).

Section 4.9. Title to Common Area and Limited Common Area. Landowners or a Parcel Developer may retain legal title to the Common Areas or Limited Common Areas, as the case may be, or portions thereof, but notwithstanding any provision herein to the contrary, the applicable Landowner and/or the applicable Parcel Developer shall convey each Common Area or Limited Common Area to the Association, in a good and workmanlike condition reasonably acceptable to the Association, free and clear of all liens but subject to this Declaration and all other easements,

conditions and restrictions of record at such time as such improvements are completed and in a condition acceptable to the Association. The foregoing notwithstanding, a Parcel Developer shall not convey any property to the Association unless the Developer is a party to the instrument of conveyance. Regardless of whether the Common Areas or Limited Common Areas actually have been conveyed by the applicable Landowner or the Parcel Developer, as the case may be, Owners and the Association shall have all the rights and obligations imposed by this Declaration, any Supplemental Declaration, the Articles and Bylaws with respect to the Common Areas and the Limited Common Areas from and after the date such Common Areas or Limited Common Areas are designated as such by recordation of an appropriate instrument in the Clerk's Office. The Association shall be liable from the date such Common Areas or Limited Common Areas are so designated for payment of insurance and maintenance costs with respect thereto.

Section 4.10. Veterans Administration Approval. So long as the Class B Membership exists, Developer shall not do the following without the prior written approval of the Veterans Administration: (i) mortgage any Common Areas or Limited Common Areas, (ii) dedicate any Common Areas or Limited Common Areas to general public use, or (iii) consolidate, merge or dissolve the Association.

Section 4.11. Reservation of Rights Regarding Common Area and Limited Common Area. Certain of the open space, conservation areas, and historic resources may be better suited for ownership by a private, nonprofit organization among whose purposes is the conservation of open space land and/or natural or historic resources. Notwithstanding anything in this Declaration to the contrary, and regardless of whether such areas have previously been designated as Common Areas or Limited Common Areas, Developer reserves for itself, and its successors and assigns, the right, at such time or times as it shall determine on or before December 31, 2029, to transfer and convey in fee simple such open space, conservation areas, and historic resources as Developer deems in the best interests of such areas to one or more private, nonprofit organizations. Any transfer and conveyance shall comply with the specific criteria set forth in the Zoning Ordinance.

ARTICLE V

ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation for Assessments. This Section 5.1 shall be subject to Section 4.3 "Sub-Associations" of the Articles. Developer, for each Lot or Parcel owned within the Properties, hereby covenants (subject to Sections 5.5, 5.8 and 5.9), and each Owner of any Lot or Parcel by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant to pay to the Association assessments as set forth in this Declaration, any Supplemental Declaration and in the Bylaws. The assessments, together with interest thereon, late charges, administrative costs and fees, postage and copying costs, and costs of enforcement and collection (including all attorneys' fees), shall be a continuing lien upon the Lot or Parcel against which each such assessment is made in order to secure payment thereof and shall also be the personal obligation of the party who was the Owner of the Lot or Parcel at the time the assessment fell due. No Owner may waive or otherwise avoid liability for the assessments provided herein by nonuse of the Common Areas, the Limited Common Areas, or abandonment of his Lot or Parcel. Each assessment that is not paid when due shall bear interest

at the rate established by the Association, which rate shall not exceed the maximum rate permitted by applicable law. In addition to bearing interest, each assessment that is not paid within ten (10) days of its due date shall incur a late charge of twenty dollars (\$20.00) or such greater amount as may be established from time to time by resolution duly adopted by the Board of Directors of the Association.

Section 5.2. Purpose of Assessments. The assessments levied by the Association shall be used for the management, maintenance, improvement, care, operation, renovation, repair and replacement of the Common Areas and Limited Common Areas and improvements thereon and other property owned or acquired by the Association of whatsoever nature, for the discharge of all taxes and other levies and assessments against the Common Areas and the Limited Common Areas and improvements thereon and other property owned or acquired by the Association: (c) the procurement of insurance by the Association in accordance with the Declaration, Articles, Bylaws and/or other applicable law or requirements; (d) the establishment of reserves with respect to the Association's obligations; (e) the discharge of the Association's contractual and legal obligations; (f) the performance of services by the Association, its contractors, employees, and agents, as authorized in this Declaration and/or in the Articles, Bylaws or other applicable law or requirement; (g) the discharge of such other obligations as may be imposed upon or assumed by the Association pursuant to its Articles, Bylaws, this Declaration, any Supplemental Declaration or any other agreement or applicable requirement, and (h) such other purposes as may be authorized by or pursuant to the Declaration, Articles, Bylaws, or other applicable law or requirement.

Section 5.3. Annual Assessments. "Annual Assessments" shall mean "General Assessments," and "Limited Common Expense Assessments." For all purposes of this Declaration, "assessments" shall include interest thereon, late charges, administrative costs and fees, postage and copying costs, and costs of enforcement and collection (including all attorney's fees).

(a) General Assessments.

1. Purpose. "General Assessments" shall mean those assessments used for the general purposes set forth in Section 5.2 above except that the General Assessments shall not be used for those purposes for which Limited Common Expense Assessments shall be used.

2. Basis. The General Assessments shall be established upon the basis of an annual budget adopted by the Board of Directors of the Association and increased or decreased from time to time by the Board of Directors of the Association pursuant to the Bylaws.

(b)

Limited Common Expense Assessments.

1. Purpose. "Limited Common Expenses" are those expenses attributable to managing, maintaining, improving, caring, operating, renovating, repairing, establishing appropriate reserves for, insuring and replacing Limited Common Areas, as well as

the cost of providing certain services to individual Lots and/or Parcels. The purpose of the "Limited Common Expense Assessment" is to provide a means whereby the Owners of Lots and/or Parcels who directly benefit from specific Limited Common Area and/or certain services applicable to individual Lots and/or Parcels pay their proportionate share of the Limited Common Expenses attributable to such Limited Common Area and/or services.

2. Basis. Limited Common Expenses may be assessed by the Association only against the Lots and/or Parcels benefited by the applicable Limited Common Expenses, and shall be allocated among those Lots and/or Parcels in proportion to their relative General Assessment liability, inter se, based on usage, or as otherwise reasonably determined by the Board of Directors, as appropriate. Such Limited Common Expenses shall be determined as follows:

(i) Any expenses designated in a Supplemental Declaration as Limited Common Expenses to be paid by the Owners of designated Lots and/or Parcels subject to such Supplemental Declaration;

(ii) Any expenses proposed by the Board of Directors or a specific group of Owners as Limited Common Expenses against a specific group of Lots and/or Parcels and agreed to by Members entitled to cast a majority of the total number of votes with respect to such Lots and/or Parcels, assessed against such Lots and/or Parcels as such Owners may agree or in proportion to their relative General Assessment liability, inter se, or as otherwise reasonably determined by the Board of Directors;

(iii) Any expenses incurred in the upkeep of or the maintenance of, and reserves for the upkeep and replacement of, common "private" alleys, drives, and/or parking areas serving a limited number of Lots and/or Parcels and labeled "private" on the applicable recorded plat and/or described as "private" in the applicable Supplemental Declaration shall be assessed only against the Lots and/or Parcels served by such private alley, drive and/or parking area, as determined by Declarant or the Board of Directors, in their reasonable discretion; and

(iv) Any expenses incurred in the upkeep of, or the maintenance of reserves for the upkeep of, Limited Common Area may be assessed only against the Lots and/or Parcels served by such Limited Common Area, as determined by Declarant or the Board of Directors, in their reasonable discretion; and

(v) Any service to individual Lots and/or Parcels based on usage.

Section 5.4. Special Assessments. In addition to the General Assessments and Limited Common Expense Assessments, the Board of Directors of the Association may levy a periodic special assessment if the purpose in doing so is found by the Board of Directors to be in the best interest of the Association and the proceeds of such assessment are used for (1) the maintenance and upkeep, including capital expenditures, of the Common Area (or of the Limited Common Area, provided the special assessment is levied against only those Lots served by such Limited

Section 5.10. Capitalization of Association. Upon the acquisition of record title to a Lot or Parcel by the first purchaser thereof (other than Developer, Parcel Developer, or an owner who purchases solely for the purpose of constructing a dwelling thereon for resale), a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in the amount equal to one-half of the amount of the Annual Assessment payable on such Lot or Parcel for that year. This amount shall be deposited in the purchase and sales escrow at settlement and shall be disbursed therefrom to the Association for its working capital.

ARTICLE VI

ARCHITECTURAL CONTROL

Section 6.1. Architectural Review Board. There is hereby established a board (the "Architectural Review Board") for the purpose of reviewing and, as appropriate, approving, approving with conditions, or disapproving all Plans (hereinafter defined) submitted by Owners in accordance with this Article VI. The Architectural Review Board shall be composed of three persons, who need not be Members of the Association, from time to time appointed by Developer until 100% of the Properties have been developed and conveyed to Owners other than builders or appointed by the Board of Directors of the Association from and after the date on which Developer no longer has a Class B membership or delegates this responsibility to the Association by written instrument in recordable form executed by Developer. The Developer or the Board of Directors, as the case may be, may appoint one alternate member to the Architectural Review Board, which alternate member may vote only in the absence of a regular member. The members of the Architectural Review Board shall serve for such terms as may be determined by Developer or the Board of Directors of the Association, as the case may be. The Developer reserves the right (which may be exercised at any time or from time to time) to delegate certain, but less than all Architectural Review Board responsibilities to the Association, and if Developer exercises this right the Board of Directors may appoint its own review board which satisfies the same criteria as set forth herein for the Architectural Review Board. For example, by way of illustration and not limitation, the Developer may delegate to the Association the authority for reviewing and as appropriate approving or disapproving Plans submitted for modifications, alterations or additions made on or to existing structures on Lots, in which case the Board of Directors shall appoint its own architectural review board for the purpose of exercising such delegated authority. The Developer appointed Architectural Review Board and authorized architectural review board appointed by the Board of Directors shall be collectively referred to herein for ease of reference as the "Architectural Review Board." References herein to Architectural Review Board shall apply to either or both boards, as applicable. Regardless of the foregoing, until 100% of the Properties have been developed and conveyed to Owners other than builders, the Developer may retain some or all of the duties and authority of the Architectural Review Board, which may be exercised by any authorized officer or employee of the Developer.

Section 6.2. Plans to be Submitted. Before commencing the construction, erection or installation of any building, addition, patio, deck, fence, wall, animal pen or shelter, exterior lighting, sign, mailbox or mailbox support, improvement or other structure (each of the foregoing being hereinafter referred to as an "Improvement") on any Lot or Parcel, including any site work in preparation therefor, and before commencing any alteration, enlargement, demolition or

Common Area); and (2) the discharge of taxes, the procurement of insurance, the establishment of reserves, and the discharge of such services and other obligations as may be assumed by the Association pursuant to its Articles, Bylaws, the Declaration or Supplemental Declaration or any cost sharing, use or cross easement arrangements entered into with any other Person, and for such other purposes as authorized by or pursuant to the Articles or Bylaws.

Section 5.5. Date of Commencement of Annual Assessments. Subject to Section 5.9, the Annual Assessments provided for herein shall commence as to each Lot or Parcel on the first day of the month following the recordation of the deed to such Lot or Parcel to the first purchaser thereof (other than Developer, Parcel Developer, or an owner who purchases solely for the purpose of constructing a dwelling thereon for resale). The first Annual Assessment on a Lot or Parcel shall be adjusted according to the number of months remaining in the calendar year. Unless the Board of Directors of the Association amends the Bylaws to provide otherwise, the Annual Assessments shall be paid as provided in the Bylaws.

Section 5.6. Effect of Nonpayment of Assessments; Remedies of Association. The lien of the assessments provided for in this Declaration may be perfected and enforced in the manner provided in § 55.1-1833 of the Virginia Code. A statement from the Association showing the balance due on any assessment shall be prima facie proof of the current assessment balance and the delinquency, if any, due on a particular Lot or Parcel. The Association may also bring an action at law against any Owner personally obligated to pay the same, either in the first instance or for deficiency following foreclosure, and interest, late charges and costs of collection including attorney's fees shall be added to the amount of such assessment and secured by the assessment lien. In addition, if any installment of any assessment is not paid within thirty (30) days after the due date, the Board of Directors shall have the right upon notice to the Owner to accelerate the installments owed and declare the entire balance of any Annual Assessment or Special Assessment due and payable in full.

Section 5.7. Subordination of Lien to Mortgages. The lien upon each of the Lots and Parcels securing the payment of the assessments shall have the priority set forth in Section 55.1-1833 of the Virginia Code.

Section 5.8. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments and liens created herein: (i) any property used as a sales or leasing center, model, maintenance center or management facility by Developer or for similar purposes; (ii) all properties dedicated to and accepted by a public authority; (iii) all Common Areas and Limited Common Areas; and (iv) all properties wholly exempt from real estate taxation by state or local governments upon the terms and to the extent of such legal exemption.

Section 5.9. Annual Budget. The Board of Directors shall adopt a proposed annual budget for each fiscal year, which budget shall provide for the annual level of assessments (including provision for reserves and physical damage insurance deductibles) and an allocation of expenses. There shall be no responsibility for the payment of assessments until after the Board of Directors adopts its initial annual budget. The procedure for adopting, ratifying or rejecting the budget is set forth in the Bylaws.

removal of an Improvement or any portion thereof in a manner that alters the exterior appearance (including but not limited to paint color, reroofing or replacement or alteration of exterior material) of the Improvement or of the Lot or Parcel on which it is situated, each Owner shall submit to the Architectural Review Board a completed application on the form provided by the Architectural Review Board (the "Application"), a proposed construction schedule and at least three sets of plans and specifications of the proposed construction, erection, installation, alteration, enlargement, demolition or removal, which plans and specifications shall include (unless waived by the Architectural Review Board): (i) a site plan showing the size, location and configuration of all Improvements, including driveways and landscaped areas, and all setback lines, buffer areas and other features required under the Zoning Ordinance or the guidelines adopted by the Architectural Review Board, (ii) as to Improvements initially constructed on a Lot or Parcel, landscaping plans showing the trees to be removed and to be retained and shrubs, plants and ground cover to be installed, (iii) architectural plans of the Improvements showing exterior elevations, construction materials, exterior colors, driveway material, (iv) a sediment and erosion control plan, and (v) a tree protection plan and such other information as the Architectural Review Board in its discretion shall require (collectively, the "Plans"). The Architectural Review Board may, in its sole discretion, waive the requirement that any or all of the required Plans be submitted in a particular case where it determines such Plans are not necessary to properly evaluate the Application. The Architectural Review Board shall not be required to review any Plans unless and until the Application has been submitted in completed form with the proposed construction schedule and all of the required items. The Application, Plans and the proposed construction schedule must be submitted to the Architectural Review Board at the address of Developer in the same manner as notices are to be sent to Developer pursuant to Article XI, for so long as all members of the Architectural Review Board are appointed by Developer, and thereafter (or to the extent authority has been delegated to an Architectural review Board appointed by the Board of Directors) the Application, Plans and the proposed construction schedule may be submitted to the Architectural Review Board at the address of the Association in the same manner as notices are to be sent to the Association pursuant to Article XI.

Section 6.3. Consultation with Architects, etc.; Administrative Fee. In connection with the discharge of its responsibilities, the Architectural Review Board may engage or consult with architects, engineers, planners, surveyors, attorneys and others. Any person seeking the approval of the Architectural Review Board agrees to pay all fees thus incurred by the Architectural Review Board and further agrees to pay an administrative fee to the Architectural Review Board in such amount as the Architectural Review Board may from time to time reasonably establish. The payment of all such fees is a condition to the approval or disapproval by the Architectural Review Board of any Plans, and the commencement of review of any Plans may be conditioned upon the payment of the Architectural Review Board's estimate of such fees.

Section 6.4. Approval of Plans. The Architectural Review Board shall not approve the Plans for any Improvement that would violate any of the provisions of this Declaration or of any Supplemental Declaration applicable thereto. In all other respects, the Architectural Review Board may exercise its sole discretion in determining whether to approve or disapprove any Plans, including, without limitation, the location of any Improvement on a Lot or Parcel.

Section 6.5. No Structures to be Constructed, etc. Without Approval. No Improvement shall be constructed, erected, installed or maintained on any Lot or Parcel, nor shall any Improvement be altered, enlarged, demolished or removed in a manner that alters the exterior appearance (including without limitation paint color) of the Improvement or of the Lot or Parcel on which it is situated, unless the Application, Plans and construction schedule therefor have been approved by the Architectural Review Board. After the Application, Plans and construction schedule therefor have been approved, all Improvements shall be constructed, erected, installed, maintained, altered, enlarged, demolished or removed strictly in accordance with the approved Plans. Upon commencing the construction, erection, installation, alteration, enlargement, demolition or removal of an Improvement, all of the work related thereto shall be carried on with reasonable diligence and dispatch and in accordance with any construction schedule approved by the Architectural Review Board.

Section 6.6. Guidelines May Be Established. The Architectural Review Board may, in its discretion, establish guidelines and standards to be used in considering whether to approve or disapprove Plans. Such guidelines may include, without limitation, uniform standards for signage and mailboxes and mailbox supports, however, nothing contained in this Declaration shall require the Architectural Review Board to approve the Plans for Improvements on a Lot or Parcel on the grounds that the layout, design and other aspects of such Improvements are the same or substantially the same as the layout, design and other aspects of Improvements approved by the Architectural Review Board for another Lot or Parcel.

Section 6.7. Limitation of Liability. The approval by the Architectural Review Board of any Plans, and any requirement by the Architectural Review Board that the Plans be modified, shall not constitute a warranty or representation by the Architectural Review Board of the adequacy, technical sufficiency or safety of the Improvements described in such Plans, as the same may be modified, and the Architectural Review Board shall have no liability whatsoever for the failure of the Plans or the Improvements to comply with applicable building codes, laws and ordinances or to comply with sound engineering, architectural or construction practices. In addition, in no event shall the Architectural Review Board have any liability whatsoever to an Owner, a contractor or any other party for any costs or damages (consequential or otherwise) that may be incurred or suffered on account of the Architectural Review Board's approval, disapproval or conditional approval of any Plans.

Section 6.8. Other Responsibilities of Architectural Review Board. In addition to the responsibilities and authority provided in this Article VI, the Architectural Review Board shall have such other rights, authority and responsibilities as may be provided elsewhere in this Declaration, in any Supplemental Declaration and in the Bylaws.

ARTICLE VII

USE OF PROPERTY

Section 7.1. Protective Covenants.

(a) Nuisances. No nuisance shall be permitted to exist on any Lot or Parcel. Noxious, destructive, or offensive activity, or any activity constituting an unreasonable source of annoyance, shall not be conducted on any Lot or Parcel, on the Common Area or the Limited Common Area or any part thereof, and the Association shall have standing to initiate legal proceedings to abate such activity. Each Owner shall refrain from any act or use of his or her Lot or Parcel which could reasonably cause embarrassment, discomfort, or annoyance to other Owners, and the Board of Directors shall have the power to make and to enforce reasonable rules in furtherance of this provision.

(b) Restriction on Further Subdivision. No Lot shall be further subdivided or separated into smaller Lots by any Owner other than Developer, and no portion less than all of any such Lot, nor any easement or other interest herein, shall be conveyed or transferred by an Owner other than Developer, provided that this shall not prohibit the vacating of boundaries between adjacent Lots to create a bigger Lot, deeds of correction, deeds to resolve boundary line disputes and similar corrective instruments and provided that this shall not prohibit the division or combination of condominium units in accordance with law, or the creation of condominiums. The vacating of boundaries between adjacent lots shall not create one Lot for assessment purposes. Any Owner (other than Developer) who vacates a boundary between two Lots must pay full assessment for both Lots as such Lots are described in the initial subdivision plat recorded in the Clerk's Office.

(c) Rules. From time to time the Board of Directors may adopt general rules, including but not limited to rules to regulate potential problems relating to the use of Properties and the well-being of Members, such as the definition of nuisances, keeping of animals, parking, storage and use of all vehicles, storage and use of machinery, parking of vehicles, use of outdoor drying lines, antennas, satellite dishes, signs, trash and trash containers, restrictions on sprinkler and irrigation systems, private irrigation wells, and use of lakes, water bodies, and wetlands, maintenance and removal of vegetation on the Properties and the type and manner of application of fertilizers or other chemical treatments to the Properties in accord with non-point source pollution control standards (collectively, the "Rules"). All such Rules and any subsequent amendments thereto shall be binding on all Members and occupants of the Properties, including their tenants, guests and invitees, except where expressly provided otherwise in such Rule. Such Rules as adopted from time to time are herein incorporated by reference and shall be as binding as if set forth herein in full; provided, however, that in the event of a conflict between any provision(s) in the Rules and the Governing Documents, the provision(s) set forth in the Governing Documents shall control.

(d) Exceptions. In certain special circumstances, the Developer and/or the Board of Directors may issue variances exempting a particular Lot or Parcel from any of the provisions of this Article VII.

(e) Irrigation. Subject to the rights retained by Developer in Article VIII, no sprinkler or irrigation system of any type which draws upon water from creeks, streams, rivers, lakes, ponds, wetlands, canals or other ground or surface waters within the Properties shall be installed, constructed or operated within the Properties without the written approval of Developer, except that the Association shall have the right to draw upon water from such water sources for irrigation of the Common Area or the Limited Common Area. All sprinkler and irrigation systems shall be subject to approval in accordance with Section 6.5 of this Declaration. Developer, for itself, and for its contractors and employees, reserves the right, privilege and easement to enter onto Lots, Parcels, Common Area and Limited Common Area and to install sprinkler systems and related pipes and facilities on Lots, Parcels, Common Area and Limited Common Area, provided that Developer shall not be obligated to install any sprinkler systems and any installation of sprinkler systems by or on behalf of Developer shall be at the sole and absolute discretion of Developer; and provided further that Developer may require the installation of sprinkler systems as a condition to the approval of any Plans by the Architectural Review Board.

(f) Lakes and Water Bodies. The Association shall not be responsible for any loss, damage or injury to any person or property arising out of the authorized or unauthorized use of lakes, ponds, streams or other water bodies within the Properties.

(g) Permitted Uses. Except as otherwise provided in the Governing Documents (including without limitation any applicable Supplemental Declaration), no Lot or Parcel shall be used for other than residential purposes, which include but are not limited to rental residential purposes, except as designated by the Developer or as set forth below. Developer reserves the right to designate Lots, Parcels and/or other portions of the Properties to be used for non-residential and/or commercial purposes. Nothing in the Governing Documents shall be construed to prohibit the Developer or its designees from using any Lot or Parcel owned by the Developer (or any other Lot or Parcel with the permission of the Owner thereof) or any portion of the Common Area or the Limited Common Area for promotional, marketing, display or customer service purposes (such as a visitors' center) or for the settlement or sales of Lots or Parcels. Further, the Developer specifically reserves the right to operate a construction office or a brokerage and/or management office at any time on Lots or Parcels and on any portion of the Common Area or the Limited Common Area, to the extent permitted by law. The Developer may assign its rights under this section to or share such rights with one or more other persons including but not limited to builders, exclusively, simultaneously or consecutively with respect to the Common Area or the Limited Common Area and Lots owned or leased by the Developer or such persons.

(h) Hazardous Uses; Waste. Nothing shall be done or kept on the Properties which will increase the rate of insurance applicable for permitted uses for the Common Area or the Limited Common Area or any part thereof without the prior written consent of the Board of Directors, including, without limitation, any activities which are unsafe or hazardous with respect to any person or property. No person shall permit anything to be done or kept on the Properties which will result in the cancellation of any insurance on the Common Area or the Limited Common Area or any part thereof or which would be in violation of any law, regulation or administrative ruling. No vehicle of any size that transports flammable or explosive cargo may be kept or driven on the Properties at any time. Each Owner shall comply with all federal, state and local statutes,

regulations, ordinances, or other rules intended to protect the public health and welfare as related to land, water, groundwater, air or other aspects of the natural environment (the "Environmental Laws"). Environmental Laws shall include, but are not limited to, those laws regulating the use, generation, storage or disposal of hazardous substances, toxic wastes and other environmental contaminants (collectively, the "Hazardous Materials"). No Owner shall knowingly use, generate, manufacture, store, release, dispose of or knowingly permit to exist in, on, under or about such Owner's Lot, the Common Area or the Limited Common Area or any portion of the Properties, or transport to or from any portion of the Properties any Hazardous Materials except in compliance with the Environmental Laws. No waste shall be committed on the Common Area or the Limited Common Area.

(i) Lawful Use. No improper, offensive or unlawful use shall be made of the Properties or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental agencies having jurisdiction thereof shall be observed. All laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof relating to any portion of the Properties shall be complied with, by and at the sole expense of the Owner, the Association, the Developer or any owners association or condominium unit owners association, whichever shall have the obligation for the upkeep of such portion of the Properties, and, if the Association, then the cost of such compliance shall be included in the General Assessment, Special Assessment, or Limited Common Expense Assessment, as appropriate.

(j) Emissions. There shall be no emissions of dust, sweepings, dirt, cinders, odors, gases or other substances into the atmosphere except for normal residential chimney emissions, no production, storage or discharge of Hazardous Materials on the Properties or discharges of liquid, solid wastes or other environmental contaminants into the ground or any body of water, if such emission, production, storage or discharge may adversely affect the use or intended use of any portion of the Properties or may adversely affect the health, safety or comfort of any person. The foregoing sentence shall not apply to dust, mud, dirt, and construction debris emitted by or in connection with the construction of Improvements by Developer or a Parcel Developer or a builder approved by Developer.

(k) Noise. No Person shall cause any unreasonably loud noise (except for security devices) anywhere on the Properties, nor shall any person permit or engage in any activity, practice or behavior for the purpose of causing annoyance, discomfort or disturbance to any person lawfully present on any portion of the Properties. The foregoing sentence shall not apply to the noise emitted by or in connection with the construction of Improvements by Developer or a builder approved by Developer.

(l) Obstructions. No person shall obstruct any of the Common Area or the Limited Common Area, or otherwise impede the rightful access of any other person on any portion of the Properties upon which such person has the right to enter. No person shall place or cause or permit anything to be placed on or in any of the Common Area or the Limited Common Area without the approval of the Board of Directors of the Association. Nothing shall be altered or constructed in or removed from the Common Area or the Limited Common Area except with the prior written approval of the Board of Directors.

(m) Association Property. The Common Area and the Limited Common Area shall be used only for the furnishing of the services and facilities for which the same is reasonably suited and which are incident to the use and occupancy of the Lots. The improvements located on the Common Area and the Limited Common Area shall be used only for their intended purposes. Except as otherwise expressly authorized pursuant to Sections 4.2 and 4.4 hereof or otherwise provided in the Governing Documents, no Owner shall make any private, exclusive or proprietary use of any of the Common Area or the Limited Common Area without the prior written approval of the Board of Directors and then only on a temporary basis.

(n) Mining. No Lot or Parcel shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel or earth except with the prior written approval of the Board of Directors.

(o) Signs. Except for such signs as may be posted by the Developer and builders approved by Developer for promotional or marketing purposes or by the Association, no signs of any character shall be erected, posted or displayed in a location that is visible from the Common Area or the Limited Common Area, or any other Lot or Parcel, except as otherwise expressly permitted in the Rules and/or the guidelines adopted from time to time by the Architectural Review Board.

(p) Trash. Except in connection with construction activities, no burning of any trash and no accumulation or storage of litter, refuse, bulk materials, building materials, garbage, or trash of any other kind shall be permitted on any Lot. Trash containers shall not be permitted to remain in public view from the Common Area or the Limited Common Area, or another Lot except on days of trash collection. Trash containers and refuse disposal systems must be maintained in enclosures and screened as approved by the Architectural Review Board. Trash, leaves and other materials shall not be burned in violation of local ordinances. No incinerator shall be kept or maintained upon the Properties without the prior written approval of the Board of Directors. All trash collection and removal shall be in accordance with the Rules.

(q) Landscaping; Sight-lines. No tree, hedge or other improvement or landscape feature shall be planted or maintained in a location that obstructs sight-lines for vehicular traffic on public streets. Pavement, plantings and other landscape materials shall not be placed or permitted to remain upon any Lot or Parcel: (i) if such materials may damage or interfere with any easement for the installation or maintenance of utilities, except to the extent that Developer has entered into a license agreement with Chesterfield County which addresses the terms of placement of pavement in an easement conveyed to the County; (ii) in violation of the requirements of such easements; (iii) unless in conformity with public utility standards; or (iv) if such materials may unreasonably change, obstruct or retard direction or flow of any drainage channels. No water pipe, sewer pipe, gas pipe, drainage pipe, television cable, electrical wire, or other similar transmission line shall be installed or maintained upon any Lot above the surface of the ground.

(r) Vegetation.

(a) No live vegetation of any kind may be cut on the Properties without prior written approval of the Architectural Review Board. The Board of Directors may set rules for cutting of trees to allow for selective clearing or cutting.

(b) Trees will be planted along the streets within the Property in accordance with the Zoning Ordinance and the County approved landscape plans (each individually, a "Street Tree"). No Owner shall cut down or remove any Street Tree. The Association shall maintain and replace as necessary each Street Tree, whether located (i) on a Lot, (ii) between a Lot and the street on which the Lot is located or (iii) on Common Area or Limited Common Area or between any such area and the street on which the area is located.

(s) Temporary Structures. No structure of a temporary character, such as, by way of illustration and not limitation, trailers, tents, shacks, barns, pens, kennels, runs, stables, sheds not anchored on foundations or other temporary accessory buildings shall be erected, used or maintained on any Lot except in connection with construction, sales or promotional activities of Developer or otherwise specifically permitted in the Rules. The guidelines adopted by the Architectural Review Board, from time to time, may contain further limitations with respect to permanent accessory structures which may be erected, used or maintained on any Lot.

(t) Fences. Except for any fence installed by the Developer or the Association, no fence shall be installed except in conformance with standards established therefor and with the written approval of the Architectural Review Board.

(u) Vehicles. Except in connection with construction, maintenance, and repair activities, no commercial trucks, trailers, campers, recreational vehicles, boats or other large vehicles, including grounds maintenance equipment, may be parked on any portion of the Common Area or the Limited Common Area, or any portion of a Lot visible from the Common Area or the Limited Common Area or any other Lot, or on any parking area on the Properties, or on any public right-of-way within or adjacent to the Properties, unless expressly permitted by the Board of Directors and only in such parking areas or for such time periods (if any) as may be designated by the Board of Directors for such purpose. Parking of all such vehicles and related equipment, other than on a temporary and non-recurring basis, shall be in garages or screened enclosures approved by the Architectural Review Board or in areas designated in the Rules. All vehicles must be parked so as not to impede traffic or damage vegetation. No junk or derelict vehicle or other vehicle on which current registration plates and current county and state inspection permits (as required) are not displayed shall be kept upon any portion of the Common Area or the Limited Common Area, or any portion of a Lot visible from the Common Area or the Limited Common Area or another Lot. Vehicle repairs and storage of vehicles are not permitted, except in accordance with the Rules; provided, however, that noncommercial repair of vehicles is permitted within enclosed structures. All motor vehicles including, but not limited to, trail bikes, motorcycles, all-terrain vehicles, dune buggies, and snowmobiles shall be driven only upon paved streets and parking lots. No motor vehicles shall be driven on community trails, pathways or unpaved portions of the Common Area or the Limited Common Area, except such vehicles as are authorized by the Board of Directors as needed to maintain, repair, or improve the Common Area or the Limited Common Area, and except

motorized wheelchairs or other devices to assist the disabled. This prohibition shall not apply to normal vehicular use of designated streets, if any, constructed on the Common Area or the Limited Common Area.

(v) Timeshares. No Lot shall be subjected to or used for any timesharing, cooperative, licensing or other arrangement that would entail weekly, monthly, or any other type of revolving or periodic occupancy by multiple Owners, cooperators, licensees, or timesharing participants.

(w) Professional Offices. No Lot containing a dwelling unit shall be used for any business, commercial, manufacturing, mercantile, storing, vending or other non-residential purpose; provided, however, that an Owner may maintain a home occupation as permitted by Chesterfield County and may maintain an office in the dwelling constructed on such Owner's Lot if (i) such occupation or office generates no significant number of visits (as determined by the Board of Directors) by clients, customers or other persons related to the business, (ii) no equipment or other items related to the business are stored, parked or otherwise kept on such Owner's Lot or the Properties outside of an approved enclosure, and (iii) such Owner has obtained approvals for such use as may be required by Chesterfield County, Virginia. As a condition to such use, the Board of Directors may require the Owner to pay any increase in the rate of insurance or other costs for the Association that may result from such use.

(x) Animals. The maintenance, keeping, boarding or raising of animals, livestock, poultry or reptiles of any kind, regardless of number, is prohibited on any Lot or upon the Common Area and/or Limited Common Area, except that the keeping of service animals and orderly domestic pets (e.g., dogs, cats, caged birds or small fish) without the approval of the Board of Directors, is permitted, subject to the Rules; provided, however, that such pets are not kept or maintained for commercial purposes or for breeding and that any such pet causing or creating a nuisance or unreasonable disturbance or noise may be permanently removed from the Properties upon five (5) days written notice from the Board of Directors. Pets shall not be permitted upon the Common Area or Limited Common Area, unless accompanied by someone who can control the pet and unless carried or leashed. Pet droppings shall be promptly removed by the Owner or person in control of the pet. Any Owner who keeps or maintains any pet upon any portion of the Properties agrees to indemnify and hold the Association, each Owner, any tenant and the Developer free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such pet within the Properties. All pets shall be registered and inoculated as required by law.

(y) Clothes Drying Equipment. Only such clotheslines or other clothes drying apparatus expressly permitted under and meeting the criteria set forth in the Rules and/or guidelines set forth by the Architectural Review Board, shall be permitted on any Lot or Parcel, unless approved in writing by the Architectural Review Board.

(z) Mailboxes. Mailbox stations will be located throughout the Property, and each station shall service multiple Lots. Only mailboxes approved by Chesterfield County (as shown on approved construction plans) and the Architectural Review Board shall be permitted. The mailbox stations will be maintained by the Association.

(aa) Lighting. All exterior lighting installed on a Lot requires pre-approval by the Architectural Review Board prior to installation.

(bb) Pools. No above-ground swimming pool shall be erected or maintained on any Lot. No in-ground swimming pool shall be erected or maintained on any Lot unless approved by the Architectural Review Board and unless enclosed by a fence approved by the Architectural Review Board.

(cc) Construction Activities. This section shall not be construed as forbidding any work involved in the construction or maintenance of any portion of the Properties so long as such work is undertaken and carried out (i) with the minimum practical disturbance to persons occupying other portions of the Properties; (ii) in such a way as does not violate the rights of any person under other provisions of this Declaration; and (iii) in accordance with all applicable restrictions in the Rules, any architectural guidelines, the resolutions of the Board of Directors and the other provisions of this Declaration. The Architectural Review Board may approve temporary structures for construction purposes that may otherwise be in violation of the Governing Documents or the Rules.

(dd) Leasing. No dwelling unit located on a Lot or any portion thereof shall be used or occupied for transient or hotel purposes or in any event leased for an initial period of less than six (6) months. No portion of any dwelling unit (other than the entire dwelling unit) shall be leased for any period. No Owner shall lease a Lot other than on a written form of lease: (1) requiring the lessee to comply with the Governing Documents and the Rules; and (2) providing that failure to comply with such documents constitutes a default under the lease.

(ee) Archaeological Finds. Subject to applicable state and federal law regarding archaeological finds, all archaeological materials found within the Properties belong to the Association. Upon discovery of archaeological materials during periods of construction or otherwise, the Owner of a Lot shall immediately notify the Board of Directors and cease construction activity. The Board of Directors shall have ten (10) days to notify the Owner if it intends to exercise the Association's right under this section. Thereafter, the Board of Directors shall have a period of sixty (60) days to remove the archaeological materials without compensation to the Owner for the archaeological materials, the use of the Lot or delay in construction. The Association shall not be obligated to remove archaeological materials nor be held liable for failure to remove such materials.

(ff) Antennas and Similar Devices. Only those antennas expressly permitted under the Federal Communications Commission's Over-the-Air Reception Devices (OTARD) Rule implementing Section 706 of the Telecommunications Act of 1996, as amended from time to time, are allowed. All others that are visible from outside any structure are expressly prohibited. As of the date of the recording of this instrument, the following are permitted under OTARD: (a) direct broadcast satellite (DBS) antenna one (1) meter or less in diameter or diagonal measurement; (b) antennas designed to receive Multipoint Distribution Services (MDS) that are 39.4 inches (one (1) meter) or less in diameter; (c) antennas designed to receive television broadcast signals of any size; (d) transmission-only antennas if they are necessary for the use of a covered reception antenna

and are one (1) meter or less in diameter; and (e) masts used in conjunction with any of these antennas (collectively, the foregoing are referred to as "Covered Antennas"). The foregoing list is subject to change pursuant to changes in OTARD and/or any other applicable laws. Covered Antennas shall be located in accordance with Architectural Guidelines adopted by the Architectural Review Board, to the extent such restrictions are not prohibited by the OTARD Rule, and an application for Architectural Review Board approval must be submitted for any device deviating from the following:

- (i) Television broadcast Covered Antennas must be installed inside a dwelling unit whenever possible;
- (ii) No roof antenna shall extend more than ten (10) feet above the highest point on the roof;
- (iii) Satellite dish antenna if eighteen inches or less, shall be located on the rear of the house either just below the roof ridge or the fascia board below the roof eaves, or if larger than eighteen inches, be located behind the rear foundation of the house.
- (iv) Any cable associated with satellite dish or other antenna shall be buried or shall not be visible on the structure to which it is attached or extended.

(gg) Septic Tanks. No septic tank shall be installed, used, or maintained on any Lot or Parcel.

(hh) Driveways. Installation of driveways shall be in compliance with the applicable Zoning Ordinance and Section 6.2 of this Declaration.

Section 7.2. Maintenance of Property.

(a) Developer Obligation. Developer shall be responsible for the maintenance, repair, replacement and reconstruction of all roads to be dedicated to the public and designated as public rights of way on the recorded subdivision plat(s) of any part of the Property (the "Roads") until such time as the Roads are accepted into the public system of highways and roads of Chesterfield County, Virginia. Nothing in this section is intended to affect any roads, alleys or driveways that are intended to be private, or Limited Common Areas.

(b) Owner Obligation. To the extent that exterior maintenance is not otherwise provided for by the Association pursuant to this Declaration, or is not provided for in a Supplemental Declaration, each Owner shall keep all Lots and Parcels owned by him, and all improvements therein or thereon, in good order and repair, free of debris, all in a manner and with such frequency as is acceptable to the Association and consistent with a first-quality development, any Rules adopted by the Association, and the Architectural Guidelines adopted by the Association.

(c) Party Walls. The following rights and duties shall be applicable to the Properties:

(i) General Rules of Law Apply. Each wall which is built as a part of the original construction of a dwelling unit (excluding fences) upon the Lots and which is placed on the boundary line between two (2) Lots and so as to be common with, or immediately adjacent to and touching a wall of the dwelling unit on the adjacent Lot (i.e., a townhouse), shall be a party wall, and to the extent not inconsistent with the remainder of this Section 7.2(c), the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions apply thereto.

(ii) Sharing of Repair Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Owners who make use of the wall. Any disputes over the reasonableness of the cost of such repair and maintenance shall be resolved in accordance with Section 7.2(c)(iv).

(iii) Destruction by Fire or Other Casualty or Accident.

(A) Causes Attributable to Neither Owner. If a party wall is destroyed or damaged by fire, casualty or accident, which is not caused by either proximate Owner, or to conditions existing on either Lot or within the dwelling units thereon (e.g. fire caused by lightning and fire originating on property other than either Lot; damage due to storms, floods, winds or other acts of God), then the reasonable cost of the repair or reconstruction of the party wall shall be shared equally by the proximate Owners. Any disputes over the cost of such repair or reconstruction shall be resolved in accordance with Section 7.2(c)(iv).

(B) Causes Attributable to Conditions Existing on a Lot or Within a Dwelling Unit. If a party wall is destroyed or damaged by fire, casualty or accident, which is caused by conditions existing on one of the Lots or within the dwelling unit thereon (e.g. fire originating or pipes bursting in only one dwelling unit), but which is not caused by the negligent or willful act or omission of either of the Owners, then the Owner of the Lot on which such conditions existed (the "Contributing Owner") shall bear the full cost of repair and restoration of the party wall. If the Contributing Owner does not promptly commence efforts to repair and restore the party wall and thereafter diligently work to repair and restore to completion, then the other Owner (the "Non Contributing Owner") may effect such repair and restoration and be entitled to prompt reimbursement for the cost of such repair and restoration from the Contributing Owner. The costs incurred by the Noncontributing Owner shall be both the personal obligation and debt of the Contributing Owner, and a lien in favor of the Noncontributing Owner against the Lot of the Contributing Owner.

(C) Damage or Destruction Caused by the Owner. If a party wall is damaged or destroyed by fire, casualty or other causes which are solely due to the negligent or willful act of either Owner, then the Owner at fault shall bear the full cost of repair and restoration of the party wall. If the Owner does not promptly commence efforts to repair and restore the party wall and thereafter diligently work to repair and restore to completion, then the Owner who is not at fault (the "Innocent Owner") may effect such repair and restoration and be entitled to prompt reimbursement from the Owner at fault for the cost of such repair and restoration, plus a ten percent (10%) penalty for failure to promptly initiate and/or continue the repair or restoration. The costs of the Innocent Owner, plus the 10% penalty, shall be both the personal obligation and debt of the

Owner at fault, and a lien in favor of the Innocent Owner against the Lot of the Owner at fault. The Innocent Owner shall have the right to seek and collect greater damages from the Owner at fault, if the damage or destruction is due to the willful or negligent act or omission of the Owner at fault, in addition to the remedies set forth herein. Damages which may be sought and collected by the Innocent Owner shall include those related to the failure of an Owner to, by his negligent or willful act, protect a party wall from exposure to the elements.

(iv) Disputes. In the event of a dispute related to a party wall, any Owner may, by written notice to the other Owner and to the President of the Association, present such dispute to the Board of Directors for resolution. Absent written notice from the responding Owner to the initiating Owner and the President of the Association, stating his decision not to allow the dispute to be resolved by the Board of Directors, within fourteen (14) days after receipt of notice from the initiating Owner, the dispute shall be heard and resolved by the Board of Directors. The Board of Director's decision shall be in writing and shall be final and binding upon all parties. Any party, including the Board of Directors, may be represented by counsel in the event of such a dispute. Neither a party to a dispute, nor his family member, who serves on the Board of Directors, shall take part in a proceeding in connection with such a dispute as a member of the Board of Directors. Notwithstanding the foregoing, no party may opt out of this procedure except in the case of Section 7.2(c)(iii)(C).

(d) Reconstruction and Repair (exclusive of party walls, which are addressed above). If a building or other major improvement located upon a Lot or Parcel is damaged or destroyed, the Owner thereof shall restore the site either (i) by repairing or reconstructing such building or other major improvement, or (ii) by clearing away the debris and restoring the site to an acceptable condition compatible with the remainder of the Properties. Unless the Architectural Review Board permits a longer time period, such work must be commenced within sixty (60) days after the date of the casualty and substantially completed within twelve (12) months after the date of the casualty.

(e) Failure to Maintain (exclusive of party walls, which are addressed above). In the event an Owner shall fail to maintain his Lot or Parcel and the improvements situated thereon as provided herein, the Association, after notice to the Owner and approval of the Board of Directors shall have the right to enter upon such Lot or Parcel to correct such failure. All costs related to such correction shall become a special assessment upon such Lot and as such shall be regarded as any other assessment with respect to lien rights of the Association and remedies provided herein for non-payment.

Section 7.3. Sales by Parcel Developers and Resales of Lots by Owners Other Than Developer. Upon the acquisition of record title to a Lot or Parcel from an Owner other than Developer or a Parcel Developer, an administrative fee in an amount set from time to time by the Board of Directors shall be paid to the Association by or on behalf of the purchaser of the Lot and/or Parcel. Such administrative fee shall be deposited in the purchase and sales escrow at settlement and shall be disbursed therefrom to the Association.

Section 7.4. Security. Neither the Association nor Developer shall be held liable for any loss or damage by reason of failure to provide security or ineffectiveness of security measures

undertaken. All Owners, tenants, guests, and invitees of any Owner, as applicable, acknowledge that the Association and Developer, and committees established by any of the foregoing entities, are not insurers and that each Owner, tenant, guest, and invitee assumes all risk or loss or damage to persons, to personal property, including but not limited to such personal property as cars, bicycles, motorcycles, etc. to structures or other improvements situated on Lots and Parcels, and to the contents of any Improvements situated on Lots and Parcels and further acknowledge that Developer has made no representations or warranties, nor has any Owner, tenant, guest, or invitee relied upon any representations or warranties, expressed or implied, including any warranty or merchantability or fitness for any particular purpose relative to any security measures recommended or undertaken.

ARTICLE VIII

EASEMENTS

In addition to any easements reserved elsewhere in this Declaration or by separate plats or instruments of record, the following easements shall apply to the Properties (including but not limited to Lots, Parcels, Common Areas, and Limited Common Areas).

Section 8.1. Utility Easements. Developer reserves perpetual easements, rights and privileges to install, maintain, repair, replace and remove poles, wires, cables, conduits, pipes, mains, pumping stations, siltation basins, tanks and other facilities, systems and equipment for the conveyance and use of electricity, telephone service, sanitary and storm sewer, roof drains connected directly to storm sewer, water, gas, cable television, drainage and other public conveniences or utilities, upon, in or over those portions of the Properties (including Lots, Parcels, Common Areas, and Limited Common Areas) as Developer, its successors or assigns may consider to be reasonably necessary (the "Utility Easements"). Without limiting the foregoing, the Utility Easements shall include an easement five feet in width along the boundary line(s) of every Lot, Parcel, Common Area, and/or Limited Common Area which parallels, and is adjacent to, a street. The Utility Easements shall include the right to cut trees, bushes or shrubbery and such other rights as Developer or the applicable governmental authority or utility company providing the utilities may require. The utility lines installed pursuant to the Utility Easements shall be installed below ground, with the exception of junction boxes, meters and existing overhead utility lines and except due to technical or environmental reasons. Developer shall have the right to convey Utility Easements to other Owners, to governmental authorities or utility companies, to the Association and to any other party or parties. However, after Declarant or a Landowner ceases to be the Owner of a Lot or Parcel, no Utility Easements shall be placed on the portion of such Lot or Parcel on which is already located a building which was either constructed by Declarant or a Landowner or approved by the Architectural Review Board or on which a building is to be located pursuant to plans approved by the Architectural Review Board.

Section 8.2. Erosion Control. Developer reserves a perpetual easement, right and privilege to enter upon any Lot, Parcel, Common Area, or Limited Common Area, and the Association is granted a perpetual easement, right and privilege to enter upon any Lot or Parcel either before or after a building has been constructed thereon or during such construction, for the purpose of taking such erosion control measures as Developer or the Association deems necessary to prevent or

correct soil erosion or siltation thereon; provided, however, that Developer or the Association shall not exercise such right unless it has given the Owner of the Lot, Owner of the Parcel, or the Association (as to the Common Area and Limited Common Area) at least five days' prior notice thereof and the Owner or the Association, as the case may be, has failed to take appropriate action to correct or prevent the erosion or siltation problem, unless the situation requires more immediate access, in which case Developer or Association shall give reasonable notice under the circumstances. The cost incurred by the Association or by Developer in undertaking such erosion control measures on any Lot or Parcel shall become a special assessment on such Lot or Parcel and shall constitute a lien against such Lot or Parcel and shall be collectible in the manner provided herein for the payment of assessments; provided however, the Developer or the Association, as the case may be, shall not have such right, if the Developer or the Association was directly responsible for creating the soil erosion or siltation problem. This Section shall not apply to Lots or Parcels owned by Developer.

Section 8.3. Maintenance of Lots and Parcels. Developer reserves the perpetual easement, right and privilege, and the Association is granted the perpetual easement, right and privilege, to enter on any Lot or Parcel, for the purpose of mowing, watering, removing, clearing, cutting or pruning lawns, landscaping, underbrush, weeds or other unsightly growth, dispensing pesticides, herbicides and fertilizer and grass seed, dredging and/or cleaning out debris from drainage ditches, removing trash, pruning and cutting trees and shrubs, maintaining Street Trees, applying mulch, aerating, maintenance of any irrigation systems and taking such other action as the Developer or the Association may consider necessary to fulfill the Association's responsibility to maintain the landscaping and Street Trees on the Lots, as well as to correct any condition which detracts from the overall beauty of the Properties, which may constitute a hazard or nuisance or which prevents the efficient drainage of the drainage ditches and related facilities located within the Properties. The cost incurred by the Developer or Association, as applicable, in taking such action (including any overhead costs associated therewith) shall be an expense of the Association and shall be collected as a regular assessment, unless the action is necessitated by the specific acts of one or more Owners, in which case the costs shall be charged to such Owner(s).

Section 8.4. Construction Easements and Rights. Notwithstanding any provision of this Declaration or of any Supplemental Declaration, so long as Developer is engaged in developing or improving any portion of the Properties, Developer shall have an easement of ingress, egress and use over any lands not conveyed to an Owner for (i) movement and storage of building materials and equipment, (ii) erection and maintenance of directional and promotional signs and (iii) conduct of sales activities, including maintenance of model residences.

Section 8.5. Right of Entry for Governmental Personnel. A right of entry on any Common Area, and Limited Common Area is hereby granted to personnel of Chesterfield County, Virginia in the lawful performance of their official duties, including but not limited to: law enforcement officers and fire and rescue personnel as needed to lawfully carry out their duties, including but not limited to enforcement of cleared emergency vehicle access; public utility and public works vehicles in the performance of their installation, maintenance and repair duties; and inspections personnel for the purpose of reviewing the Association's proper maintenance of the Common Area and the Limited Common Area.

Section 8.6. Easement for Landscaping, Signs and Related Purposes. There shall be and is hereby reserved to Developer, for so long as it retains its rights as Developer, and to the Association, a non-exclusive easement over all Lots or Parcels, Common Area and Limited Common Area, in locations specified on recorded plats of the Properties or, if no location is specified, for a distance of twenty (20) feet behind any boundary line which parallels, and is adjacent to, a street, and for a distance of forty (40) feet behind any boundary line of portions of the Properties where line of sight easements are necessary, for the purpose of erecting and maintaining street intersection signs, directional signs, temporary promotional signs, plantings, street lights, sidewalks, entrance features and/or "theme areas," lighting, stone, wood, or masonry wall features and/or related landscaping.

Section 8.7. Blanket Easement. An easement is hereby retained in favor of Developer, and the Association and their respective contractors and employees, over the Lots or Parcels and any area owned or to be owned by the Association for the installation of landscaping or construction of signage, a common cable television system, sprinkler system(s), or any other item installed for the enjoyment and/or benefit of some or all of the Owners. An easement is further granted for the purpose of the repair and maintenance of any of the foregoing items so constructed. Any entry upon any Lot or Parcel or any area owned or to be owned by the Association to effectuate the foregoing purposes shall not be deemed trespass. Each Owner covenants not to damage or destroy any portion of an item so constructed and shall hold the Association and/or Developer harmless from the cost of repairing or replacing any portion damaged or destroyed by such Owner, his family, his guests or invitees.

Section 8.8. Easement for Encroachment. Each Lot, each Parcel, the Common Areas, and the Limited Common Areas are hereby declared to have an easement over all adjoining Lots, or adjoining, Parcels, the Common Areas, and the Limited Common Areas for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of a building, or any other similar cause, and any encroachment due to building overhang or projection. There shall be valid easements for the maintenance of said encroachments so long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settling or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful act or acts with full knowledge of said Owner or Owners. In the event a structure on any Lot or Parcel is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot and Parcel agree that minor unintentional encroachments over adjoining Lots and Parcels shall be permitted, and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist.

Section 8.9. Drainage Easement. Each Owner of a Lot or Parcel on which a storm drainage or storm water management easement exists shall keep such area free of debris so as not to impede drainage. Each Owner covenants to provide such additional easements for drainage and water flow as the contours of the Properties and the arrangement of buildings by Developer thereon requires; provided, however that such easements shall not have a material adverse effect upon any Lot or Parcel on which said easements are utilized. Developer reserves an easement over all Lots, Parcels, and the Common Area, and Limited Common Area for the purpose of correcting any drainage deficiency, whether such deficiency is located on such Lot, Parcel, or Common Area,

and Limited Common Area or on adjoining property which right shall include but not be limited to the right to re-grade and/or alter the existing grade of Lots, Parcels, and the Common Area, and Limited Common Area, and to maintain, repair and replace gutters and downspouts.

Section 8.10. Building Maintenance and Support Easement. Each Owner (including the Developer) of any Lot is hereby granted an easement, to the extent reasonable necessary in order to make repairs or improvements to a building on such Owner's Lot, to enter or cross any area owned or to be owned by the Association, or a Lot of another Owner, providing that the Owner uses the most direct, feasible route in entering and crossing over such area and shall restore the area so entered or crossed to its original condition, at Owner's expense. The foregoing easement shall exist only if and to the extent that the purpose for the entry or crossing has been approved by the Board of Directors or the ARB, if such approval is required by this Declaration. To the extent that any portion of any dwelling on a Lot supports or contributes to the support of any other dwelling on a Lot, the former is hereby burdened with an easement for the lateral and subjacent support of the latter.

ARTICLE IX

GENERAL PROVISIONS

Section 9.1. Duration. The covenants and restrictions of this Declaration shall run with and bind the Properties for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of twenty-five (25) years, unless at the expiration of any such period the covenants and restrictions are expressly terminated at a duly held meeting at which a quorum is present upon the vote of at least two-thirds (2/3) of the votes, in person or by proxy, of the Class A votes and by the Class B Member. Notwithstanding the foregoing, the provisions of Section 4.2, 4.4, and Article VIII shall be perpetual.

Section 9.2. Amendments. Except as otherwise set forth in this Declaration and subject to Section 10.4 of the Bylaws, this Declaration may be amended either (i) by Developer without the consent of any other Owners in order to correct typographical errors, inconsistent references, scrivener's errors, grammatical mistakes, and incorrect or ambiguous punctuation, for so long as Developer's Class B membership continues or (ii) by a vote of fifty-one percent (51%) of the sum of: (A) the Class A votes cast (including Developer as to Class A votes held by Developer), plus (B) the Class B votes (if any). Notwithstanding the foregoing, (a) the provisions of Articles II and VIII and Sections 3.2, 4.7, 5.8, and this Section 9.2 may not be amended in any event without the written consent of Developer regardless of whether the Class B membership has terminated, and (b) Section 9.1 and/or Article X may be amended only at a duly held meeting at which a quorum is present upon the vote of at least two-thirds (2/3) of the votes, in person or by proxy, of the Class A votes and by the Class B Member. In addition, Developer shall have the right without the consent of any other Owners to amend this Declaration in any respect as may be necessary or appropriate in order for this Declaration or the Properties to comply with applicable laws now or hereafter enacted or to satisfy the requirements of any Federal Mortgage Agency, including, without limitation, the Veterans Administration, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, or the U.S. Development of Housing and Urban

Development, as the same may be amended from time to time, with respect to their purchase or guaranty of mortgage loans secured by Lots.

Section 9.3. Enforcement. Developer, the Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, easements, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration or any Supplemental Declaration. Without limiting the generality of the foregoing, if any Owner fails to comply with any of the provisions of this Declaration or any Supplemental Declaration and such failure continues for at least five (5) days after notice thereof is given to the Owner, then either Developer or the Association may, but without any obligation to do so, take such action as either of them considers necessary or appropriate (including, without limitation, entering the Owner's Lot or Parcel) to correct the noncompliance; provided, however, that judicial proceedings are instituted before any Improvements are subsequently altered (other than maintenance, repair, or restoration to a previous condition, which shall be permitted without judicial proceedings) or demolished. The cost incurred in taking such action shall constitute a special assessment upon the Owner's Lot(s) or Parcel(s) and shall be collectible in the manner provided herein for the payment of assessments. Any amounts collected by the Association attributable to costs incurred by the Developer shall be promptly transferred to the Developer. Failure by the Developer, the Association or any Owner to enforce any provision of this Declaration or any Supplemental Declaration shall in no event be deemed a waiver of the right to do so thereafter.

Section 9.4. Limitations. As long as the Developer has an interest in developing the Properties and/or any commercial property adjacent to the Properties, the Association may not use its financial resources to defray any costs of opposing the development activities so long as they remain consistent with the general intent of this Declaration. Nothing in this Section shall be construed to limit the rights of Members to act as individuals or in affiliation with other Members or groups.

Section 9.5. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 9.6. Conflict. In the event of conflict among the Governing Documents, this Declaration shall control, then applicable Supplemental Declarations, then the Articles, then the Bylaws except that in all cases where the Governing Documents may be found to be in conflict with statute, the statute shall control.

Section 9.7. Interpretation. Unless the context otherwise requires, the use of the singular shall include the plural and vice versa; the use of one gender shall include all genders; and the use of the term "including" shall mean "including, without limitation." The headings used herein are for indexing purposes only and shall not be used as a means of interpreting or construing the substantive provisions hereof.

Section 9.8. Use of the Words "Sunset Hills Towns Community Association, Inc." No Person shall use the words "Sunset Hills Towns Community Association, Inc." or any derivative thereof in any printed or promotional material without the prior written consent of Developer.

Section 9.9. Reserved.

Section 9.10. Approvals and Consents. All approvals and consents required or permitted by this Declaration (other than approvals or consents given by Members in a vote conducted in accordance with the Bylaws) shall be in writing, shall be signed by the party from whom the consent or approval is sought and, unless otherwise provided herein, may be withheld by such party in its sole discretion. For this purpose, electronic communications shall be deemed to be "in writing" and shall be deemed to be signed by the sender.

Section 9.11. Assignment of Developer's Rights. Any and all rights, powers, easements and reservations of Developer set forth herein may be assigned in whole or in part, at any time or from time to time, to the Association, to another Owner, or to any other party in Developer's sole discretion. Each such assignment shall be evidenced by an instrument which shall be signed by Developer and its assignee and recorded in the Clerk's Office.
